Events Sub-Committee meeting

23rd January 2023

Remembrance Parade Debriefing Notes

Date: 14/11/2022

Identified Issues

JTM failed to produce RAMS. Invitation to quote needs to be sought as early as April.

CCBC failed to provide answer to traffic order application which was made in August.

Parade arrived at Church too early – a later start (09.55am/10am?) may solve this issue and prevent waiting and congestion at church entrance.

There was no area designated for disabled/wheelchair access. To improve inclusivity, a site could be located in the area where some of the plastic chairs were laid out (towards the back of the church).

The new seating arrangements did not work as well as the previous one. If the seating arrangement is agreed in advance and sent out to parade participants this may help.

There was a low turnout from some schools/organisations – earlier engagement may resolve this issue.

Not enough service sheets.

Positive outcomes

No traffic management issues – parade was successful and proceeded along the route safely.

Two police vehicles (one in front and one behind of the parade) worked well.

The pipers worked well.

The service was well attended. Excellent turnout from Emergency Service workers.

Christmas Concert Debrief

Positives

Excellent performances from Sioned Terry which really engaged the audience.

Excellent performances from the Schools that attended.

Excellent performances from the Beulah.

Well-organised and advertised by Assistant Clerk.

Issues

Second week in December clashes with ongoing school events and staff parties which had an adverse impact on participation levels from the schools. The concert is a duplication of what schools are doing already within the community.

Schools had difficulty getting consent forms from parents which meant they could not commit to participating in the concert and responses were last minute. This adversely impacted the organisation and programme of the concert.

The venue was extremely cold despite the heating being on all day.

First concert after COVID and the time of year encourages the prevalence of flu and colds.

The performance area at the venue is small so the brass band had to be relocated to the side of the church and were out of sight from the audience.

Attendance from Councillors were poor (only 3 attended).

Attendance from the public was poor (30 people attended) but this was probably exacerbated by the inclement weather conditions. Primary school attendees and families left after they had performed further depleting the audience size.

Deputy Clerk's Christmas Lighting Scheme Report 2022

Feedback

North Wales Live Facebook post on 26/11/2022 about the Teddy bear received 591 likes.

Predominantly positive feedback on social media regarding the tree planting and ATC's move to be more sustainable.

Only 4 phone calls of complaints regarding the size of the small trees. Concerns were that the older generations would not get to enjoy the trees before they grow to their full size.

Living trees

ATC had ordered four x 6ft root ball trees from tree contractor. When they arrived they were smaller and did not have a root ball - the roots were bare and exposed. The contractor had expected a root ball and suggested we cover the roots and plant within 3 days.

The lighting contractor advised that trees need to be planted 1m away from the electrical site (feeder pillar or electrical pit). Only three trees were planted. The fourth tree was to be installed at the Threeways' island, however the Teddy tree is 2.5m in width so the small tree would be too far from the electrical pit if planted. It was decided to temporarily pot the tree.

Upon installation, it became clear trees were actually 4 foot and not 6 foot. The tree contractor was contacted and the four small trees were discounted to cost value (50% price reduction).

The lighting contractor was informed of the smaller tree size. It was recommended that dressing a 4 foot tree with industrial lights could potentially damage the tree and that it would be best to wait until it is established. This information was emailed to members who decided not to dress the tree. The lighting contractor only charged for the dressing of the two x 20ft cut trees.

Timer issue with 20ft dressed tree near Kinmel Arms. The issue was not resolved before staff were on holiday.

The Roundtable installed two dressed trees (about 5 foot) in Botegwel and Llanfair Road.

Artificial trees

Timer failed at Threeways and required replacing which was done expeditiously by the contractor. Overall, installation, switch on and removal went smoothly.

Both trees were positively received by the general public particularly the Teddy tree.

Motifs and Features

Overall, installation, switch on and removal went smoothly. A few issues arose, however, response time was excellent. Motif on lamp column 12, Market street was off but it was established it was CCBC issue as the street column was at fault.

Feature lighting was positively received by the general public.

Legislation

s. 144, Local Government Act 1972 - the power to encourage visitors and provide conference and other facilities.

s. 40(1), Well-Being of Future Generations (Wales) Act 2015 - a community council must take all reasonable steps in its area towards meeting the local objectives included in the local well-being plan that has effect in its area.

Prosperous

An innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work.

Resilient

A nation which maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change).

Healthier

A society in which people's physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.

**LLESANT

WELL-BEING OF
FUTURE GENERATIONS**

More Equal

A society that enables people to fulfil their potential no matter what their background or circumstances (including their socio economic background and circumstances).

Globally Responsible

A nation which, when doing anything to improve the economic, social, environmental and cultural well-being of Wales, takes account of whether doing such a thing may make a positive contribution to global well-being.

Vibrant Culture and Thriving Welsh Language

A society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation.

Cohesive Communities

Attractive, viable, safe and well-connected communities.

Feedback Received on Christmas Lights 2022

Date:	Comments:	Positive/ Negative
19/11/2022	Can I just express my gratitude for all the Christmas lights and trees etc you have recent completed. The fact you have decided to plant trees that will grow in place is a fantastic and forward thinking idea. The new trees on roundabouts etc are also excellent, a real joy in these darks days were are all in. It must have been difficult to pull together, we really do appreciate your efforts and a big thank you to everyone involved in the project. Thank you!	Positive
19/11/2022	I just wanted to say a massive thank you to all concerned for the brilliant idea of planting the Christmas trees and for the lovely Christmas decorations. Really appreciate all your hard work. Abergele is a great place to live. Thanks again and very best wishes to you all.	Positive
19/11/2022	I just wanted to touch base with you as an Abergele resident, to thank you as a team for the fantastic idea of planting trees for Christmas. Also for the fabulous lights and other decorations which help us, as a community to appreciate a collective christmas spirit. Keep doing what you are doing.	Positive
19/11/2022	We would like to say thank you to all concerned for the thought and effort that has been put into the Christmas decorations and lights around Abergele. Especially the planting of the real Christmas trees such a thoughtful environmentally sustainable project that will enhance the town all year round.	Positive
21/11/2022	Show stopping Abergele! I love the new lights and the trees etc, stunning, I will definitely be taking my 3 down for a selfie at the baubles! And its lovely to see the real trees planted. Well Done!	Positive
21/11/2022	Very disappointed with small tree on Llanfair Road, should of still had normal tree for all residents in and around Llanfair Roadas well as planting new one to grow.	Negative
21/11/2022	As long-term residents of Abergele, we would just like to compliment the Town Council on the new Christmas Lights 2022. They are modern, innovative and very pleasing. They make you smile! Please thank the team responsible for continuing to put Abergele 'centre stage' by doing things slightly out of the comfort zone but ahead of some of our less imaginary neighbours on the North Wales coast.	Positive
22/11/2022	Extremely dissappointed in the tiny Llanfair Road tree, said it is very embarrassing and would just be used for dogs to urinate on.	Negative
01/12/2022	Love it (Teddy tree)	Positive
01/12/2022	It's beautiful (Teddy tree)	Positive
01/12/2022	It's a fabulous tree. Well done Abergele (Teddy tree)	Positive
01/12/2022	At least it puts a smile on the kiddies face. I love it, something different.	Positive
01/12/2022	I thought it was beautiful. Well done to the council.	Positive
01/12/2022	This [Teddy tree] looks amazing with the lights on. Well done Abergele.	Positive
01/12/2022	Lovely tree [Teddy tree]	Positive

02/12/2022	Rang on behalf of Botegwel residents. The residents are very disappointed with the size of the small tree and lack of lights. They understand the tree is meant to grow but feel that another tree should be put in place in the meantime as they fear the tree will not grow enough each year. Caller stated that the resident children were very disappointed as they usually get their photo taken with the tree. Caller also raised concerns that the tree could potentially grow onto the path.	Negative
07/12/2022	Disappointed that Llanfair Road's tree was small and undressed. Understands that the tree is part of a sustainability/biodiversity scheme but is disappointed that their area was chosen as they feel the older generation may not get to enjoy seeing it come into fruition. Feels Llanfair Rd is a main entrance point for visitors coming to the area.	Negative
