Thank you for the update Deb

I think I will put to Council in the first instance as I would like to ensure that they are willing to undertake the training (Ryan could you add to your next Agenda please?)

I seem to have forgotten my username and/or password as I have had my three attempts.

Kind regards

Mandy

Hi Mandy,

Yes the course expired mid October. I set you up as a group leader so you should be able to see who signed up and their progress.

If you use your email address and your password, you should have access to all the details for your group.

If you would like me to sign you up again now, would certainly recommend it as the price is going up from £150 to £175 on Jan 1st. We can sort payment and details out in the new year.

Thanks

Hi Deb

Sorry to bother you but some time ago, probably about a year or so ago, the then Deputy Clerk booked training with yourself for all the Town Council members to do the online Planning training. Unfortunately, this year she left and was off for some time before, therefore the training went on the back burner.

Would you be able to provide me with an update on the training please i.e. has it now expired, if not did anyone complete the course, did anyone start the course. I know I am about half way through and have had some changes in Councillors in the meantime. I would like to ensure that moving forward members are encouraged to take this valuable training.

Many thanks
Mandy
