Shaping Conwy's Communities

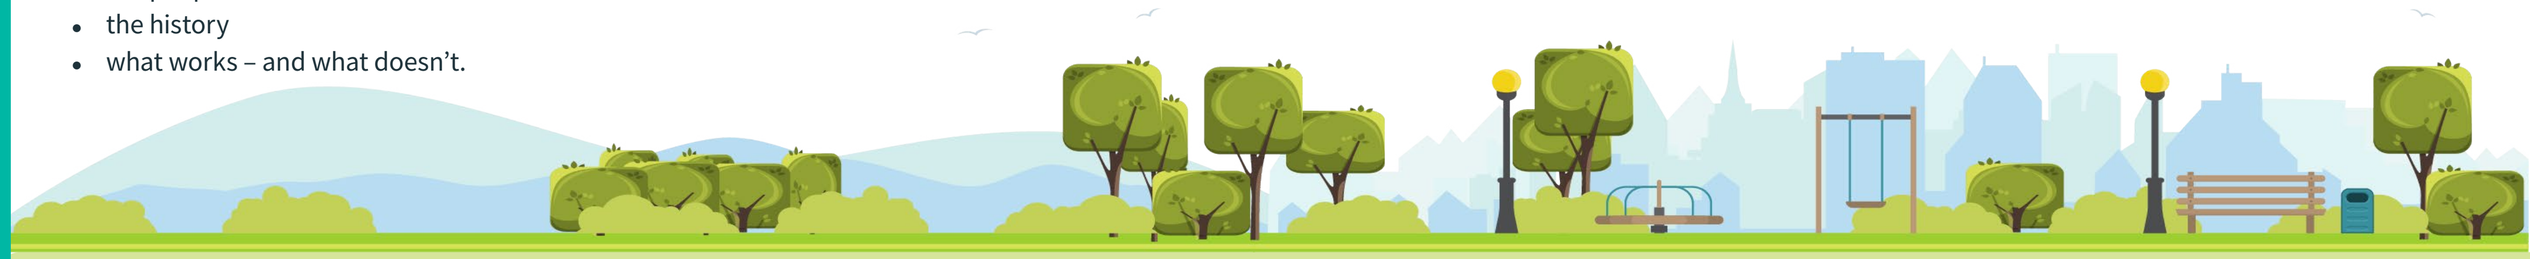
Every community has the opportunity to develop their own Place Plan.

CONWY
CYNGOR BWRDEISTREF SIROL
COUNTY BOROUGH COUNCIL

Place plans are done by communities for communities. They can focus on a Town or community council area, a single village or a group of villages.

You understand:

- your community
- the people
- the history
- what works – and what doesn't.



Set up a community area team – get your community involved – let them know what's happening. Tell local businesses, organisations, hold events, use social media. More people will be interested than you think.

Find out more about your place – gather as much information as you can – talk to your community – hold events to find out what's important to people. You'll get a picture of what's needed, where and why.

Evaluate your place – draw out your Strengths, Weaknesses, Opportunities and Threats. Get people to talk to more people – include council members – tiny businesses – big businesses – young people – incomers and old timers. They'll say what they think and help your evaluation.

Draft your place plan – use your evidence to start your plan – agree a 'vision' – set out the goals – identify the priorities – map out the steps to get there. It may be hard work but it's worth it.

Agree and start your place plan – see your plan in action. Have a written agreement – set out roles and their responsibilities. Keep a check on what's happening – change parts of the plan if needed and keep involving people. You're shaping your community!

Shape the place you live.

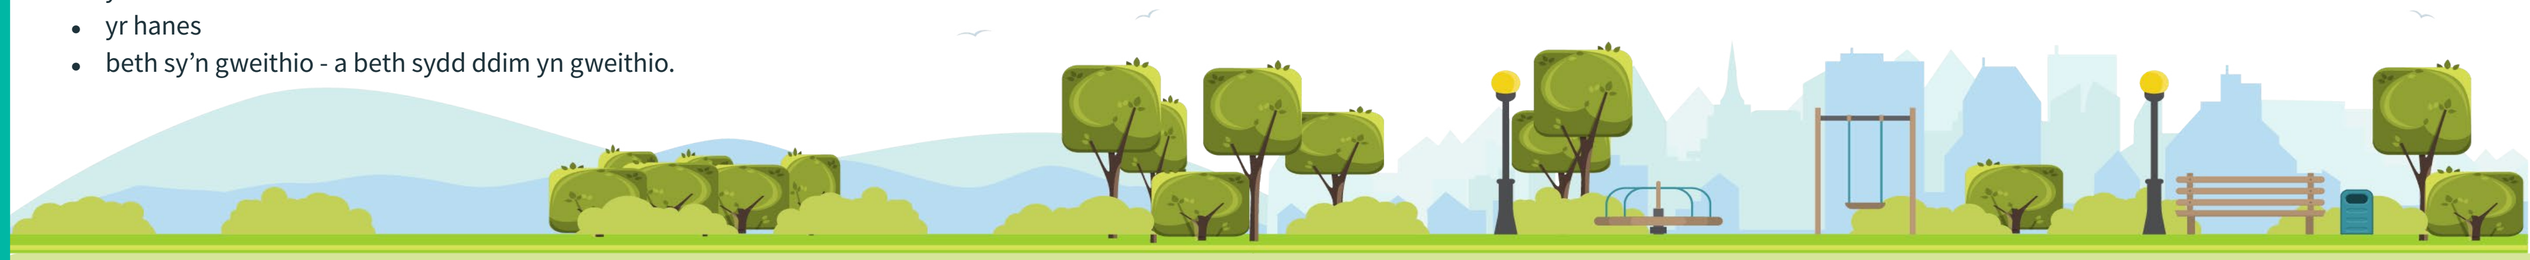
Datblygu Cymunedau Conwy

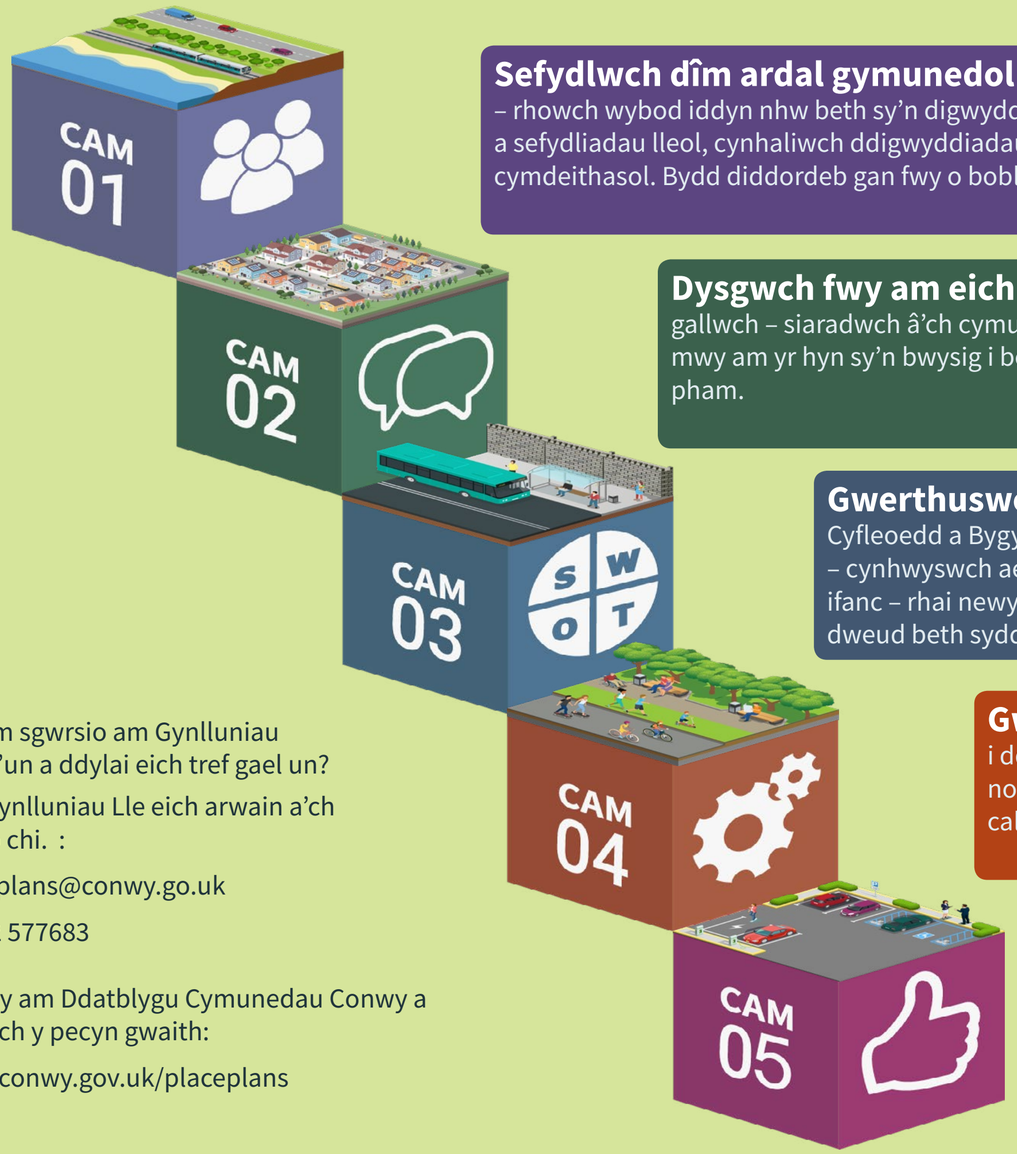
Mae pob cymuned yn cael y cyfle i ddatblygu eu Cynllun Lleoedd eu hunain.

Caiff cynlluniau lleoedd eu gwneud gan gymunedau ar gyfer cymunedau. Gallant ganolbwyntio ar Dref neu ardal cyngor cymuned, un pentref neu grŵp o bentrefi.

Chi sy'n deall:

- eich cymuned
- y bobl
- yr hanes
- beth sy'n gweithio - a beth sydd ddim yn gweithio.





Sefydlwch dîm ardal gymunedol – cynhwyswch eich cymuned – rhowch wybod iddyn nhw beth sy'n digwydd. Dywedwch wrth fusnesau a sefydliadau lleol, cynhaliwch ddigwyddiadau, defnyddiwch y cyfryngau cymdeithasol. Bydd diddordeb gan fwy o bobl nag a feddyliwch.

Dysgwch fwy am eich lle – casglwch cymaint o wybodaeth ag y gallwch – siaradwch â'ch cymuned – cynhaliwch ddigwyddiadau i ddysgu mwy am yr hyn sy'n bwysig i bobl. Cewch lun o'r hyn sydd ei angen, ym mhle a pham.

Gwerthuswch eich lle – edrychwch ar eich Cryfderau, Gwendidau, Cyfleoedd a Bygythion. Gwnewch yn siŵr fod pobl yn siarad gyda mwy o bobl – cynhwyswch aelodau'r cyngor – busnesau bach – busnesau mawr – pobl ifanc – rhai newydd i'r ardal a rhai sydd wedi bod yno erioed. Fe fyddan nhw'n dweud beth sydd ar eu meddwl a helpu eich gwerthusiad.

Gwnewch gynllun drafft o'ch lle – defnyddiwch eich tystiolaeth i ddechrau eich cynllun – cytunwch ar 'weledigaeth' – gosodwch y nodau – nodwch y blaenoriaethau – mapiwch y camau i gyrraedd yno. Bydd yn waith caled ond bydd yn werth yr ymdrech.

Cytunwch ar a dechreuwch eich cynllun lleoedd – i weld eich cynllun ar waith. Gwnewch yn siŵr bod gennych gytundeb ysgrifenedig – nodwch rolau a'u cyfrifoldebau. Cadwch lygad ar yr hyn sy'n digwydd - newidiwch rannau o'r cynllun os oes angen a daliwch ymlaen i gynnwys pobl. Rydych chi'n datblygu eich cymuned!

Datblygwch y lle rydych yn byw.

Cymerwch ran yng Nghynllun Lleoedd eich cymuned chi.

Ydych chi am sgwrsio am Gynlluniau Lleoedd a p'un a ddylai eich tref gael un?

Gall y Tîm Cynlluniau Lle eich arwain a'ch cynorthwyo chi. :
