Ordinary Meeting

2nd February 2023

I don't think we can provide the owls for testing purposes Mandy only because we just won't have enough of them. I think we mentioned you're very welcome to come into a meeting room in Coed Pella to try them out here though if you want to think about a purchase.

We do need to bring the kit back though for use by other services if you have concluded (understandably) it doesn't work too well for you?

Thanks

Neil

Hi Tim

Many thanks for the email. I was under the impression that there was new equipment been trailed at CCBC and that ATC could have a loan of this once the trail was completed, to see if this would be more suitable for the chamber. Is this now not the case? If not, I will have to go back to Council to ask if they wish to purchase the current equipment or if they wish to look for an alternative?

Once you have confirmed if there is an alternative from CCBC to trail, I will put back to members for their decision.

Kind regards

Mandy

Good morning Abergele Town Council,

I hope you've now had enough time to evaluate the video conferencing kit you've had on loan from the Information Technology and Digital Transformation team.

I am going completely off the top of my head here so apologies if I am out but I'd suggest you would be looking at around £1000 for the screen and stand.

Then the owl and an extra speaker would come in at around £1000.

Clickshare for sharing screens at an in person meeting (should you want it although please bear in mind this only works in a non hybrid environment) would be around £250.

Maybe allow a further £100 just to cover any cables / tidy up.

Yes we can order for you and install – but it would probably be useful for one of you to be present when we do so you have all the information you need for future set ups?

Thanks

Neil

Good morning Neil and Tim

Hope you are both well.

I'm adding the information with regard to collection of the equipment to the Agenda for next week, and looking at options for an improved system as CCBC are not able to loan a system to test. Would you be able to confirm if ATC wished to purchase an alternative system could CCBC supply and install and what would be cost for the OWL system, and/or what would you recommend?

Kind regards

Mandy

Potentially yes two would be better if it's a large room and numbers around the meeting table – Tim is best placed to advise you on that Mandy when he returns from leave.

Thanks

Thank you Neil

Can I just clarify if one owl would be enough as I have been advised that due to the size of the room that it may require two, would it be possible for an officer to visit to ensure that we are ordering the right amount of equipment?

Kind regards

Subject: Pinders Circus - Pentre Mawr

Hi Mandy,

I hope you're well?

I've been contacted by Pinders Circus who want to return to Pentre Mawr Mon 24th July to Weds 26th July 2023.

As part of my job it now sits with me to get permissions etc for them.

Can I check, are you normally consulted for permission? I was thinking might be as the local town council, although I realise the land is CCBC.

I'd be interested to know your thoughts as I navigate my first permissions for a circus!

Thanks
Judith

This message came from outside your organization.

All,

I am writing to advise you of a change in the District Inspector post for the Denbighshire and Abergele Coastal district. On Monday January 23rd I will be moving from the Inspector role to take up a new post as Chief Inspector with responsibility for North Wales Police's Custody department.

My replacement will be Inspector Kevin Smith who will take up the post in the coming weeks. As some of you know Kevin was previously based in the district at PC and Sergeant rank and has extensive local policing experience in this area. As there will be a short delay in Inspector Smith's arrival, Temporary Inspector James Tyler (presently our District Support Sergeant) will be covering the district for the time being. From Monday James will be your point of contact for any policing enquiries you need to direct to the district management team. I have copied both officers in to this e-mail for your reference.

You are receiving this e-mail as a key partner for the local policing team. I'm sure I will speak with some of you over the next few days however please accept my sincere thanks for your support of local policing over the last couple of years I have been in post.

Kind Regards,

Jason

Noswaith dda/good evening

Firstly we'd like to show our appreciation for the work that you do for your communities. As a member-led organisation of volunteers ourselves we share your goals and applaud your efforts.

The recent Wales Constitutional Commission report strongly recommends further devolution of powers with much greater clarity within any settlement. It also highlights that the status quo in Wales is not fit for purpose and puts Independence firmly on the political agenda as a viable option for Wales. In the meantime, polling suggests that Scotland will vote strongly in favour of Independence as soon as the opportunity presents itself.

We believe that Independence is now firmly on the agenda for all of Wales and local government must be a central part of this debate.

The time has come for all Welsh councils, at every level, to discuss independence and the ways in which it may impact decisions made at a community level.

It would be great if you could discuss independence at your January grant allocation meeting, and, within that context, to consider donating to YesCymru to further our cause and help us strengthen the arguments in favour of Independence.

A small donation of £50-100 would be hugely appreciated and will be a valuable contribution to our efforts to explore the possibilities and potentialities for an Independent Wales.

Many thanks for your time and we would like to take this opportunity to wish you and your communities a very Happy New Year from all of us at YesCymru.

Blwyddyn Newydd Dda!

Noswaith dda

Yn gyntaf, hoffwn ddangos ein gwerthfawrogiad o'r gwaith rydych chi'n ei wneud dros eich cymunedau. Fel sefydliad aelodaeth sy'n cael ei arwain gan wirfoddolwyr rydym yn uniaethu ac yn cymeradwyo eich ymdrechion!

Mae adroddiad diweddar Comisiwn Cyfansoddiadol Cymru yn argymhell yn gryf y dylid datganoli pwerau ymhellach, gyda llawer mwy o eglurder o fewn unrhyw setliad. Mae hefyd yn tynnu sylw at y ffaith nad yw'r status quo yng Nghymru yn addas i'r diben ac mae'n rhoi Annibyniaeth yn gadarn ar yr agenda wleidyddol fel opsiwn ymarferol i Gymru. Yn y cyfamser, mae'r polau piniwn yn awgrymu y bydd yr Alban yn pleidleisio'n gryf o blaid Annibyniaeth cyn gynted ag y bydd y cyfle'n cyflwyno ei hun.

Credwn fod Annibyniaeth yn opsiwn cadarn ar agenda Cymru gyfan erbyn hyn - rhaid i lywodraeth leol fod yn rhan canolog o'r ddadl.

Mae'r amser wedi dod i holl gynghorau Cymru, ar bob lefel, drafod Annibyniaeth a'r ffyrdd y gall effeithio penderfyniadau a wneir ar lefel gymunedol.

Byddai'n wych pe gallech drafod Annibyniaeth yn eich cyfarfod dyrannu grant ym mis Ionawr ac, o fewn y cyd-destun hwnnw, ystyried cyfrannu i YesCymru i hyrwyddo ein hachos a'n helpu i gryfhau'r dadleuon o blaid Annibyniaeth.

Byddai rhodd fach o £50-100 yn cael ei werthfawrogi'n fawr iawn ac yn gyfraniad gwerthfawr i'n hymdrechion i edrych ar y posibilïadau a'r potensial i Gymru Annibynnol.

Diolch yn fawr am eich amser a hoffem fanteisio ar y cyfle hwn i ddymuno Blwyddyn Newydd Dda iawn i chi a'ch cymunedau gan bob un ohonom yn YesCymru.

Blwyddyn Newydd Dda!
