

Correspondence File 1

Place Plan Meeting

26th May 2022

information on what other Councils are doing and to consider a more modest budget.

Cllr Wood retired at this juncture and the Mayor Cllr. Alan Hunter acted as Chairman

(b) The Waymarker project (transferred from Friends of Abergele Parklands). Abergele Round Table and Friends of Abergele Parklands have agreed match funding for the project. The Clerk informed members that due to the Place Plan Officer not be able to obtain quotes for the manual work to be completed that he had put himself forward to carry out the work. It was estimated that this would require him to be out of the office for a couple of weeks.

It was AGREED that due to the workload of the Officer that other options are considered in the first instance i.e. volunteer groups, ramblers and all other options are explored. The Clerk was instructed to clarify Insurance, Risk Assessment and Lone Working implications and if the Council wished to fund the work to confirm that this would not have a detrimental effect on the grant. The Officer should only be utilised as a last resort.

It was RESOLVED to accept the grant funding and match funding for the project.

Cllr. Wood returned at this juncture

That sounds like a great set of objectives, Jesse. Thanks very much for including the Ramblers in the process. Abergele and the surrounding area will benefit enormously from such a scheme.

I'm sure that we will be able to pick up the various aspects of the project as we work through it, so please feel free to contact me when we can be of help.

I can't guarantee that we will always be immediately available, as we also have requests for assistance by Conwy Council and, at present, the Ramblers are running a project called Paths for Wellbeing, which also includes installation of gates and signposts. However, we will do our best to help out wherever possible, so the more in advance you can let me know details of your work parties - or work which the Ramblers could do by ourselves - the better.

Wishing you success with the project,

Kevin.

Hi Kevin

Thank you for your swift reply. I think the Abergele Footpath project would benefit greatly from your assistance.

We have the funding in place for the materials, signs, Waymarkers and I'm just working on final drafts for the maps etc.

Would your group like me to present the project?

I've attached the working document, although there is quite a lot of extra info in there (pages 4-8 are the pathways I will be working on as part of this project.)
