Dear Meira.

I am struggling to complete the remit of this Important town centre regeneration project on my own , in the interests of taking this forward due to the tight deadline I would wish our Abergele place plan coordinator Jesse to take on , and over, the project from the friends of Abergele parklands , if this could be considered we would be grateful as we did not know that a December 31st deadline for the project existed

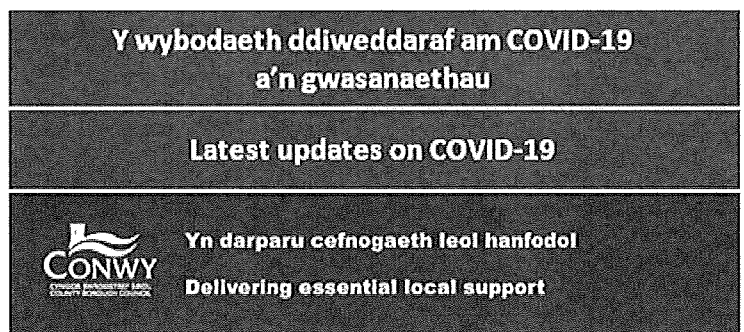

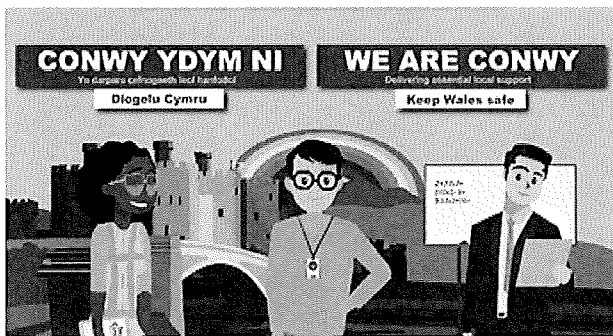

Thanking you in anticipation

Cllr andrew wood

Hello Meira

I understand that Cllr Wood has now been in touch with you about transferring the Waymarker Project in Abergele.

Are you able to advise on when LAG will meet to consider the request? In view of the deadline, if the transfer is approved it will have some bearing on the Town Council's priority list.

Kind regards  
Lorraine

Hi Meira

Thank you for getting back to me.

Conscious of the now exceptionally tight window in which to complete this project, I will contact Cllr Wood to formally make the request to start this process as it will need to go on an Agenda for consideration by Full Council.

If successfully transferred, it would become part of the Placeplan and under the wing of the Placeplan Facilitator Officer, Mr Jesse Lock. I have asked Jesse to call you as he is experienced in this type of project.

Thank you for your help.

Kind regards  
Lorraine

Good Morning Lorraine

Thank you for your email.

In the first instance I will need notification in form of email from Cllr Wood on behalf of the Friends of Abergele Parklands stating that they wish to transfer the project to Abergele Town Council.

As soon as I receive this I can notify the LAG board members of the change and if they wish to object or not.

Also just as a reminder the project needs to be completed and claimed by the 31/12/2021

Please feel free to give me a call if you wish to discuss

Kind Regards

Meira

Good afternoon Meira

REF: Waymarkers for local walks in Abergele  
Grant award to Friends of Abergele Parklands

At the Abergele Placeplan Committee Meeting last night Cllr Andrew Wood informed members that he is struggling to get the waymarker project off the ground as he is having difficulty obtaining quotes, he has asked the Town Council to take over the project as part of the Placeplan.

Please can you advise as to whether it would be possible to make such a transfer to Abergele Town Council and if it is, how best can it be done?

Kind regards  
Lorraine
